

New site operations manager -Job description

Role description:

FreezeM (www.freeze-em.com) is a pioneering company in the field of insect farming, developing novel solutions for Black Soldier Fly (BSF) breeding, enabling insect farming to become Sustainable, Scalable and Simple, which makes it accessible to everyone.

For a cutting-edge project in the insect farming industry, FreezeM is looking for an operations manager to our new site near Berlin/Germany. The job includes management and operations of a new production line, stock management, QC analysis, communication with collaborators, reporting to the company's HQ in Israel, and more. Join us and play a significant role in creating a more sustainable planet.

Requirements:

- a. Fluency in English and German – a must
- b. Good communication skills – a must
- c. Management ability from previous positions - a must
- d. BSc or other equivalent degree - advantage.
- e. Previous operation and/or stock management experience - advantage
- f. Previous experience in agriculture/animal growth - advantage.

How to apply:

Please send your CV to hr@freeze-em.com

Our new site is located in the building complex of the Hermetia Baruth GmbH, our cooperation partner. If you have further questions, you can also contact Heinrich Katz, the owner of the Hermetia Baruth GmbH. His contact details are:
